Name: _____

👀 Sight Word: the

"the" is the most used word in English. Learn it once and you can read it everywhere!

1. Read it. Trace it with your finger, starting at the green dots.

This word is

the

Say it, read it, write it!

2. Trace it, then write it on your own.

3. Find it! Color every box that says **the** in red. What picture did you make?

he	the	the	ten	the	the	ten
the	the	the	the	the	the	the
the	the	the	the	the	the	the
hat	the	the	the	the	the	then
tea	tea	the	the	the	they	she
they	he	they	the	then	them	them

4. Trace the sentence, then finish it with your own word or a drawing.

💡 **For grown-ups: why it works.** "the" is in almost every sentence children will read. Reading, writing and hunting for it among look-alike words (then, they, she) builds instant recognition, and coloring reveals a heart as a self-check. Sound it out too: th-e.
