Name: _____

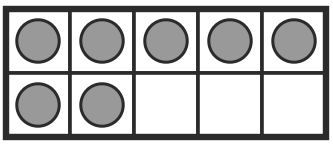

Count and Write: 6 to 10

Count the dots in the ten-frame. Trace the gray numbers, then write your own at the black dots.

ten

10 10 10 ☆

💡 **For grown-ups: why it works.** The ten-frame shows every number as "5 and some more": 7 is a full top row and 2 more. Children who see this stop counting one by one, which is the first step toward adding in their heads.
